

EXPERIENCE SERIES™
Standard Line

SMOOTH, FLOWING & PRECISE

Our Experience Series™ cardio equipment will satisfy the needs and enhance the workouts of beginners and advanced users alike.

EFX® 536i

Elliptical Fitness Crosstrainer™

Like every piece of equipment in the Experience Series™ Standard Line, the EFX 536i has been designed and built to withstand the rigors of a broad range of environments, from less supervised facilities such as hotels, corporate gyms, apartment complexes, or fire departments. Combining essential reliability and ease-of-use with a natural, low-impact stride, the EFX 536i features a console that provides clear visuals and a familiar layout that makes it easy for users to explore a variety of satisfying workouts.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

PRECOR®

EFX[®] 536i

Elliptical Fitness Crosstrainer™

EXPERIENCE SERIES™
Standard Line

The EFX[®] 536i features the unique CrossRamp[®] technology which alters the elliptical path between 15 and 40 degrees in both forward and reverse stride motions, engaging various muscle groups to offer a wider range of exercises. Combined with moving handlebars users will receive a highly effective cross training and total-body workout.

PRODUCT HIGHLIGHTS

- 1 Console**
Clear visuals and familiar layout increase program exploration, leading to greater satisfaction. Durable dome switches are tactile, responsive and easy for everyone to use.
- 2 Moving Handlebars**
Moving handlebars for a total-body workout.
- 3 Adjustable CrossRamp[®] Technology**
Users can isolate or cross-train specific lower body muscle groups simply by adjusting the angle of the ramp, making it easy for users to focus on their individual fitness goals.
- 4 Biomechanics**
Our patented elliptical path perfectly mimics a natural running stride, allowing users to keep their heels down for a more comfortable, effective and ergonomically correct motion.

PRODUCT SPECIFICATIONS
